

RAWQ APPOINTS PAUL TONKIN AS EXECUTIVE DIRECTOR

JUNE 9, 2022, Gatineau, Québec: the Regional Association of West Quebecers (RAWQ)

On behalf of the Directors and Members of the Regional Association of West Quebecers, I am pleased to announce the addition of Mr. Paul. W.A. Tonkin as the Association's Executive Director.

We were most impressed with Mr. Tonkin's combination of high-stakes logistics experience and community collaboration over the past 5 years, which his references reflected. We are very excited of the possibilities and directions to which he will lead the Association.

Originally from Northern Ontario, Mr. Tonkin fell in love with the Ottawa/Gatineau area and has resided here since 1984. Mr. Tonkin's 30+ years in senior management and operating his own highly specialized business, has inspired him to focus on expanding his deep passion for community-based initiatives. An active Christ Church Aylmer parishioner involved with various ministries and community volunteer at events and fundraising activities.

If you are in Aylmer, be sure to visit the office and welcome Mr. Tonkin!

Sincerely,

Arthur Ayers,

President
